Installing extension and plugin (Google Chrome)

Raiffeisen
BUSINESS
ONLINE

www.raiffeisen.ua

clientbank.support@raiffeisen.ua

4a, Generala Almazova, Kyiv, Ukraine, 01011.

In order to be able to work in Raiffeisen Business Online system¹ follow the link in your Web-browser²: <https://web.raiffeisen.ua/web/>.

On the system login page you will be proposed to install an extension.

BUSINESS CLIENTS LOGIN

Unable to login. You should install the add-on.

INSTALL ADD-ON

Click the “**Install Extension**” option.

A new tab – “Extensions Manager” will be opened in the browser. Opposite the **WebSigner** extension click the option “**Add to Chrome**”.

chrome web store Sign in

Home > Extensions > WebSigner

 **WebSigner** Add to Chrome

Overview Privacy practices Reviews Related

Confirm the installation by clicking the option “**Add extension**”.

 Add "WebSigner"?

It can:

- Read and change all your data on all websites
- Communicate with cooperating native applications

Add extension Cancel

¹ Working in Web-banking system is possible in the following operation systems: Windows (older than Windows XP), *nix or Mac.

² Browsers supported by the system:

- Microsoft Internet Explorer 11.0 and above
- Mozilla Firefox 52.0 and above
- Opera 38.0 and above
- Safari 6.0 and above
- Google Chrome 45.0 and above
- Microsoft Edge 88.0 and above

The following two messages confirm that the extension was installed successfully, they must be closed:

Close the **Chrome web shop** tab:

In **iBank2ua** tab, on the system login page it will be proposed to download the plugin (or the system login window will appear if the plugin was installed earlier):

BUSINESS CLIENTS LOGIN

Unable to login. You should install the plugin.

[DOWNLOAD PLUGIN](#)

You must click the **“Download plugin”** option. When the **websigner-setup.exe** file is downloaded, launch and install this plugin.

After the plugin installation the page <https://web.raiffeisen.ua/web/> will look as follows:
